

Home Health NUTS & BOLTS

December 14-15, 2021

**A Virtual, Intensive 2-Day Program
for Home Health Clinicians and Leaders**

Home Health Nuts and Bolts is unlike any Home Health 101 or 201 class you've ever attended. This is a virtual, intensive 2-day program presented by Corridor. The program is designed to reinforce the regulatory and compliance components of home health for all clinicians and individuals in leadership positions in home health organizations. Association Members may attend this course at the discounted rate of \$250 per person. Physical course materials and a questionnaire will be sent to registrants in advance, so please register early!

Continuing Education: This activity is eligible for 13.0 nurse contact hours.
The Association for Home & Hospice Care of North Carolina is approved as a provider of nursing continuing professional development by the North Carolina Nurses Association, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation.

ABOUT THE PROGRAM

This program, developed and taught by Corridor, covers the Home Health Conditions of Participation in detail, including the Medicare benefit from a clinical perspective including eligibility, face to face and recertification. The PDGM payment model will be covered including common successes and failures. Throughout the program, focus is placed on the regulatory requirements surrounding clinical documentation and the importance of accuracy as it relates OASIS, 5-Star Ratings, and HHVBP.

Quality Assessment Performance Improvement will be covered in detail, including how QAPI and corporate compliance work hand in hand. Compliance and all aspects of compliance and risk will be covered, including details on enforcing agencies.

Objectives of Home Health Nuts and Bolts:

- Understand the basics related to the Home Health Conditions of Participation
- Identify documentation requirements regarding:
 - Eligibility
 - Compliance
 - OASIS
 - Recertification
 - Plan of Care
- Understand the PDGM payment model
- Describe the QAPI program and how it is related to Corporate Compliance
- Identify areas of Risk and the entities that enforce compliance

Register before December 6 to ensure timely delivery of a hard copy of Home Health Quickflips. Attendees who register after December 6 will still receive the hard copy, but we cannot guarantee it will arrive before the workshop.

ABOUT THE PRESENTER

Annette Lee, RN, MS, HCS-D, COS-C

Annette is a registered nurse, with a Master's in Health Care Administration, practicing since 1990, with the majority of her nursing experience in home health. For over a decade she worked with the **CMS Medicare Administrative Contractor (MAC)** where she provided review of, and education on home health and hospice documentation. Annette then began providing outreach and provider education regarding **Medicare reimbursement issues** and effective documentation strategies, assisting providers with ADRs and appeals. Today she marries together her experience in the "real world" and the inside knowledge of Medicare to ensure providers can meet the requirements of CMS, and ensure compliant, efficient operations. She presents nationally on the Conditions of Participation, (COPs), **OASIS, PDGM, HIS, LCDs, and documentation and coverage for both the home health and hospice benefits.** Annette holds both the **Certificate for OASIS Specialist-Clinical** and the **Home Care Coding Specialist-Diagnosis** certification.
