Webinar Overview:

With the home health industry under increased regulatory scrutiny, there has been a significant increase in survey deficiencies, even for providers with no prior issues. This program will provide an overview of most problematic survey issues impacting home health providers, including the focus on pandemic preparedness, response and infection control, and Identify strategies and resources providers can use to establish an ongoing survey readiness culture and process within their organizations.

Objectives:

1. Identify the top survey issues impacting home health agencies and the current federal regulatory/survey environment.
2. Discuss strategies for establishing an ongoing, agency-wide survey readiness program that is integrated into daily operations for optimal compliance and demonstrate the provision of quality of care to patients and families.

Presenters:

Kimberly Skehan, RN, MSN, HCS-D, COS-C

Director, Compliance, Regulatory & Quality at Simione Healthcare Consultants with more than 30 years of clinical, management and consulting experience in home health and hospice.

Sheila Salisbury-Sizemore, RN, BSN Senior Manager

Sheila joined Simione Healthcare Consultants in 2021 to support compliance, regulatory and quality consulting, bringing more than three decades of experience as a consultant, surveyor, agency owner and administrator, and home care leader (both health system based and independent agencies) in administrative and clinical management roles.
