

HOSPICE NUTS & BOLTS

December 5-8, 2023

Daily: 7:00am – 11:30am PST

A Virtual, Intensive Program for Hospice Clinicians and Leaders

Hospice Nuts and Bolts is unlike any Hospice 101 or 201 class you have ever attended. This is a virtual, intensive four half-day program presented by Corridor. The program is designed to reinforce the regulatory and compliance components of hospice for all clinicians and individuals in leadership positions in hospice organizations. OAH C Members may attend this course at the discounted rate of \$399 per person. Physical course materials and a questionnaire will be sent to registrants in advance, so please register early!

Continuing Education: This activity is eligible for 15.75 nurse contact hours. The Association for Home & Hospice Care of North Carolina is approved as a provider of nursing continuing professional development by the North Carolina Nurses Association, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation.

ABOUT THE PROGRAM

This program, developed and taught by Corridor, covers the Conditions of Participation in detail, including the Medicare benefit from a clinical perspective including eligibility, recertification, what is covered and what is not, levels of care, revocation, discharge and transfer. Throughout the program focus is placed on documentation throughout the continuum of care, including documentation regarding eligibility, levels of care, symptom management and the Local Coverage Determinations (LCDs). In addition, the Comprehensive Assessment and the “rules” surrounding the Plan of Care. Significant focus will be placed on the interdisciplinary team (IDT) including their form and function and the IDT meeting. Facility based care is also highlighted in this program to assist in understanding the importance of care coordination and both the hospice and the facility responsibilities.

Quality Assessment Performance Improvement will be covered in detail, including how QAPI and corporate compliance work hand in hand. Compliance and compliance risk areas will be covered in detail, including details on enforcing agencies.

Objectives of Hospice Nuts and Bolts:

1. Understand the basics related to the Hospice Conditions of Participation
2. Define key components of the Medicare Hospice Benefit
3. Identify documentation requirements regarding:
 - Eligibility
 - Comprehensive assessment
 - Recertification
 - LCDs
 - Plan of Care
4. Understand the form and function of the IDT
5. Describe the QAPI program and how it is related to Corporate Compliance
6. Identify areas of Risk and the entities that enforce compliance

Register before November 29 to ensure timely delivery of a hard copy of Hospice Quickflips or Hospice Medical Director’s Guide Quickflips.

There is a Hospice Quickflip for every MAC!

Attendees who register after November 29th will still receive the hard copy, but we cannot guarantee it will arrive before the workshop.

ABOUT THE PRESENTER

Sharon Seaton, RN, BSN, CHPN, HCS-O, HCS-D

Sharon Seaton, a nurse of many years, spent most of her career in varied roles in Home Health and Hospice with experience in clinical and senior management, as well as experience in Quality & Compliance in both for-profit and non-profit organizations.

As an Executive Director her organization was awarded the “Hospice of the Year” designation for growth and quality scores. She also was the recipient of a Rotary International grant for rural hospice care. She has also worked as a Quality Assurance Reviewer for Home Health diagnosis and OASIS coding and Hospice Coding Services. Currently, she is a Clinical Product Development Specialist at Corridor. Sharon has been a featured speaker at conferences across the U.S. showcasing both Hospice and Home health coding and compliance.
